

**REMARKS/ARGUMENTS**

The Summary of the Invention has been amended to bring it into agreement with the claims which were amended in response to the office action dated October 7, 2003.

No new matter has been added by these amendments.

Applicants are simultaneously submitting an Information Disclosure Statement, intended to ensure that references of record on another application to the same assignee are considered for this application. It is submitted that the claims remain allowable, and that these new references can be made of record and the allowed status of the application can be retained.

Respectfully submitted,
